### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Hugh Mansfield on 3 January 2008.

The application has been amended as follows:

Cancel Claim 11; and

add the following Claim 139 to replace further limit the scope of Claim 11 in order to place the application in a condition for allowance:

--139. A light support comprising:

a base plate comprising:

an anchoring element adapted to be anchored within a penetrable material;

a support-mounting face for co-acting with a surface;

a light-carrying plate comprising a proximal end mounted to said base plate being adapted for mounting a light thereon;

wherein said proximal end of said light-carrying plate is pivotally mounted to said base plate and comprises a generally cylindrical body portion pivotally mounted to said base plate and pivotable about a longitudinal axis defined thereby;

wherein said generally cylindrical body portion comprises an outer surface defining a series of longitudinal ridges on at least a part thereof; and

wherein said base plate comprises a proximal end receiving portion, said proximal end receiving portion including a rib member for interfering with said longitudinal ridges to provide for said light-carrying plate to be set during pivoting of said cylindrical body portion wherein said proximal end receiving portion comprises a notch adjacent to said rib member.—

### ***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance: the prior art does not teach or show a the light support according to claim 1 wherein the proximal end comprises a generally cylindrical body portion having a surface defining a series of longitudinal ridges on at least a part thereof wherein the proximal end receiving portion comprises a rib with a notch adjacent thereto.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
